| Surname   | First name           | Sex | Father   | Mother    | Date of baptism | Notes  |

| ?         | Ann Eliz<br>Cardinal | F   | William  | Ann       | 20 Nov 1788     | Entry reads "Ann Eliz Cardinal" of William & Ann..." with a possible surname disappearing into the binding of the register. I have therefore duplicated this entry, because "Cardinal" in the child's name could be one of her middle names, or the surname. |
| ?         | Catherine Ann        | F   | Isaac    | Mary      | 29 May 1803     | The register is bound very tightly and in the scan, the name can't be read because it disappears over the page.  |

| CARDINAL   | Elisabeth  | F   | Clarkson | Bessy        | 24 Mar 1776     |  |
| CARDINAL   | Ann Eliz   | F   | William  | Ann          | 20 Nov 1788     | Entry reads "Ann Eliz Cardinal" of William & Ann..." with a possible surname disappearing into the binding of the register. I have therefore duplicated this entry, because "Cardinal" in the child's name could be one of her middle names, or the surname. |
