B*	John	M	J*	Mary	25 Jul 1707		Page is torn. At this point in the register, the initial of the surname is put in the margin, along with a "B" for birth of burial, and an "M" for Marriage. There are two B's by this entry which implies that the surname here begins with B. The father's first name is lost apart from the first letter, J.		11
