STEVENS	Martha	QUILTER	Alice	1709			The master (mistress?) is a widow.	1003
STEWARD	William	*	Samuel	1780		Lowestoft, Suffolk	One hundred years later, someone decided to make a note about "Schooner Jones' Disbursement" and put a line through this entry, obscuring the master's surname. It seems to end in *bbins.	1003
STOWERS	Susannah	LEAGY	Edmund	1682				1003
SWAN	Mary	STVENS	William	1713			Master's surname spelt "Stvens" - should be Stevens?	1003

Apprentice surname	Apprentice forename	Master's surname	Master's forename	Year	Master's occupation	Master's abode	Notes	Img
WAYMAN	Sarah	WAYMAN	John	1723			The master's abode is given as "Wayman". This looks like an error and perhaps should be "Wivenhoe", like the other Wayman masters.	1005
WEWCOMB	Elizabeth	BICKERSTAFFE	*	1713			The master is Mrs Bickerstaff. This looks like the same entry crossed out under "N" surnames, and entered here looking like "Wewcomb". But Newcomb is a surname, and Wewcomb seems unlikely.	1005
WHITLEY	Elizabeth	THORNE	Thomas	1720		Wivenhoe		1005
