| CANZELL  | Sarah    |        |        |        | 1741          | Entered inside back cover, saying only "Sarah Canzell bap July 21." No parents' names or year given. A James Cansdale married in Copford in 1741, and Canzell might be a variation of his surname. The handwriting this mysterious baptism has been written in looks like the handwriting used in Copford's register around the 1740s, so Sarah might be James' daughter. | 71  |
