Surname	Forename	Relationship	Male rel.	Fem. rel.	Burial date	Notes	Reg	Img
*	*				21 Jun 1638	A burial squashed in at the bottom of the page. The name has been lost on the damaged corner of the page, and the year is unclear. It follows a baptism in 1638, so the year is a guess.		21
*	Elizabeth				20 Mar 1673/4	Entry so faded that in the main page for this year, it's invisible apart from the date. It's only visible in the image for the next page, where the edge of this page is visible. For some reason, the page itself was scanned faintly, but the other page wasn't, hence just the sliver of visible writing. A shame. Hopefully when digital scans are available, this invisble entry will be legible.		28
*	*				1728	All entries for 1728 are badly faded and illegible. There may be burials or not - it's impossible to tell.		50
