Surname	Forename	Relationship	Male rel.	Female rel.	Burial date	Notes	Img
*	Margrett				30 Feb 1559/60	Ould Mother Margrett [no surname in register]	1
*	*				1573/4	Something on the bottom of the page, mostly lost as it's been trimmed. Unclear if it's the signatures of the churchwardens, or a burial that's now impossible to read.	8
*	Robtt?				1575	The bottom of the page has been trimmed and most of this entry has been lost. Entered between burials in November and December 1575.	9
*	*				1584	Potential lost burial at the foot of a cropped page. It looks like the top of some words are left, but it's impossible to read them. Entered after burials on 18 March 1584/5, and before burials in 1585.	11
*	*				Jul 1587	Potential lost entry on the foot of the cropped page. The top of some writing is just about visible, but not enough to be deciphered.	12
*	John?				26 Dec 1588	Most of entry lost on the foot of a cropped page.	12
*	Ric.?				May 1590	Most of entry lost on the foot of a cropped page.	13
*	*				1596	Potential lost burial entry on the foot of a cropped page. The tops of some letters are just visible, but not enough to decipher the words.	15
*	Ric.?				Jan 1597/8	Most of entry lost on the foot of a cropped page. February starts at the top of the next column, with January following, so it's possible that the lost burial is in the list of four January burials entered after February's.	16

[H_]AKEN	Anne?				30 Apr 1571	Faded, unclear. Forename looks like it begins with A and could be Anne or Alice. First letter of surname uncertain.	7
