Bride surname	Bride 1st	Status	Groom 1st	Groom surname	Status	Marriage date	Notes	Img
*ART	Ann		Robt.	SMITH		17 Nov 1752	Beginning of bride's surname obscured by a blob. It might be between one to three letters missing. Note that there is a Bart family in Little Clacton at the time.	22
?	A		John	SHORT	Widower	Jan 1602/3	The bride's name has mainly been missed off, consisting only of a letter A and no marital status. There is no day of the month given, only the month and year. The entry has been added to the foot of the page, saying "And theirs ought to stand next to Robert Mott in due place." But there is no marriage for Robert Mott, and the next marriage in the register is from 1618, suggesting that several pages of marriages have been lost.	46
?	Margret		Thomas	MOODE		7 Oct 1619	"His last wyfe." Bride's surname not in register. Marital statuses not in register.	46
?	Judeth	Single Woman	Francis	WRIGHT	Single Man	8 Jun 1664	Bride's surname not in register. Out of sequence, entered after 1620 marriages.	46
?	Frances		Robert	TALMAGE		1627	Listed under 1627 but might be later - 1628 or 1629 perhaps. Unclear. No date. Marital statuses not in register. Bride's surname exceptionally hard to read. The vicar spells Frances "Francesse" at this time - it looks like this might have crossed over her surname. Her surname could be OFFER, or it could be FEEDHAM. Or it could be something else entirely.	47
?	Elizabeth	Single Woman	William	BARWICKE	Single Man	7 Jul 1652	Bride's surname not in register. Both of Great Clacton.	48
?	?		John	GENTRY		1705	Bride's name and full date not given. Marital statuses not in register.	3
ALDEN	Margaret		William	MACE		2 Jun 1584	Marital statuses not in register.	43
