BURROW	Rose	dau of	Morianae		1 Jan 1576/7	The parents' forename is unusual, and might be harder to understand as the entry is written in Latin, and the names Latinised. As I don't recognised the name, I'm not sure if it's the father or mother.	1

CHIDLERLEI	Ann	dau of	John		16 Mar 1599/00		11
CHIDLERLEY	Francis		John		13 Jun 1602	Unclear if Francis is the son or daughter of, as "fil." is an abbreviation of both filius and filia, son and daughter, and "Francis/Frances" hadn't settled along gender lines at this time.	12
