WARDE	Ralph	son of	Ralph		3 Feb 1604/5	It says "seqr" to the left of the entry, and "xx anno" to the right. Unclear if this means he was 20 years old, or it's the 20th year for the register in some way, or it was entered in the wrong place and shouldn't be under 1604/5. Or it could mean something else.	29
