BULL	Lettice				12 Feb 1705/6	An odd one. The line in the register reads left to right - date, then "John Hall". The rest of the line is empty, as if it's been rubbed out, then the next line is just "Lettice Bull" without a date or any other detail. Unclear if the child was "John Hall" son of Lettice Bull, or if we have two entries - one for the Hall family, and one for the Bulls.	13

HALL	James	son of	John	Mary	19 Jan 1703/4		12
HALL	John				12 Feb 1705/6	An odd one. The line in the register reads left to right - date, then "John Hall". The rest of the line is empty, as if it's been rubbed out, then the next line is just "Lettice Bull" without a date or any other detail. Unclear if the child was "John Hall" son of Lettice Bull, or if we have two entries - one for the Hall family, and one for the Bulls.	13

STURGEON	Jhon	son of	Jhon		Apr 1605	Day of month hard to read - ends in "teen". Pages from the earliest register were used to make a cover a later register. This is from the page inside the front cover, with years 1602-1605. Very faded, very worn, damaged. Some entries are completely worn away, others are missing some or most information and surviving words are often very hard to decipher.	6
