

Wattisham St Nicholas baptisms 1600-1605

Pages from the earliest register were used to make a cover a later register. They're very faded, very worn, and damaged. Some entries are completely worn away, others are missing some or most information and surviving words are often very hard to decipher.							
Surname	Forename	S/D	Father	Mother	Baptism date	Notes	Img
*	*	son of	John		1600	From front cover, with years 1599/00 to 1602.	5
*	*		*		1601	Entries from 1601 completely worn away. This is from the front cover, with years 1599/00 to 1602.	5
*	*		*		1602	Much too faded to read, other than the day of the month which looks like the 8th. From the page inside the front cover, with years 1602-1605.	6
*	*	son of	*	*	1603	From the page inside the front cover, with years 1602-1605.	6
*	*	son of	*	*	1604	From the page inside the front cover, with years 1602-1605.	6
*	*	son of	*		Jan 1605/6	From the page inside the front cover, with years 1602-1605.	6
*E	*		William		1599/00	From the front cover, with years 1599/00 to 1602.	5
*SE	*	dau of	*		1605	From the page inside the front cover, with years 1602-1605.	6
